She / Her / They / Them

Lisa Swinbanks is a freelance actor, dancer, and entertainer. Lisa was raised locally in Feilding, attended Unitec Auckland to complete a BA Acting Major, and has performed in the Palmerston North region since returning in 2017. With a keen love for speech and drama, classical texts, stage presence, and vocals training (Linklater Technique), Lisa has been able to effectively teach and direct all ages to develop onstage and increase awareness of fine details for actors and performers of all genres leading up to performance weeks, and the mindfulness and care for the self post-performance (glitter crash).

In 2021, Lisa won the Regional Theatre Award for Outstanding Female Actor (Play) for her role as Olivia in the Manawatu Summer Shakespeare production of Twelfth Night.

Lisa is in high demand for her diligent, confident, and engaging performance style on and off stage.
